

Piece of String Media in partnership with Vibrant Shropshire

A free outdoor workshop exploring farming and the environment, and using digital media.

Join us on a Shropshire farm to discover what they farm and how they farm.

Get creative with photos, video and sound. And share what you see, hear and learn.

For young people aged 11-18 interested in spending a day in the countryside, finding out where food comes from and how farmers look after wildlife and the environment, and working with filmmakers.

Thursday 30th October 10am–3.30pm in the Myndtown area

Places are funded but limited — booking is essential

Digital media equipment provided

We'll be outside all day — be ready for all weathers!

The workshop will involve a fair amount of gentle walking on uneven ground

Email workshops@pieceofstringmedia.co.uk or call Nick (she/her) 07718 274884 if you have any questions or to talk about access needs. Booking: www.eventbrite.com/e/1681076327549
