Revision Guides

Dear Parents and Carers,

We are nearing the end of Year 10 and we would like students to purchase a revision guide and workbook for French. This is a new GCSE specification and as such we have managed to secure a significant discount on the retail price of the books.

These are available in the school shop section on Arbor to order at £3.55 per book so £7.10 for both the revision guide and workbook.

These books will be used to set homework and tasks for revision during Year 11. They are fully interactive and are the best way for students to revise for the listening and reading exams in particular, as well as offering support and tasks for the speaking and writing.

These are fully aligned with the new specification and will support learning.

Yours sincerely
